Due to economic slow down, finding a job in the business sectors is more challenging this year. To help students understand the **latest job market condition** in the business sectors, the ESG Centre invited Dr. Eva Chan and Dr. Jacky Tang, two well-known industry executives to share with HSU students on how to maximize their opportunities to secure a suitable job for **long-term career development**.

In addition, Mr. Unnat Kohli, Director APAC, CFAI, will share with you the value and information about various CFA certificates related to ESG climate change and investment. In fact, all staff and students with an HSU email account will receive a 20% discount when registering for Climate Risk, Valuation, and Investing Certificate online program (For more information, please see [here](#)).
